

1 THE CHAIRMAN: Very well.

2 Delegate Willoner.

3 DELEGATE WILLONER: While we are clearing up
4 these matters, perhaps my amendment became unnecessary.

5 THE CHAIRMAN: If we can dispose of the amendments
6 with short colloquies, we will keep it going.

7 DELEGATE WILLONER: You referred to line 29 in
8 section 6.05, "as required by law", as meaning prescribed
9 by the legislature. If that is what you mean, then my
10 amendment becomes unnecessary.

11 THE CHAIRMAN: When I said "prescribed by the
12 legislature," I meant by the legislature by law, and that
13 means an act passed by the legislature and signed by the
14 governor, or passed by the legislature and vetoed by the
15 governor, but not a resolution of the legislature.

16 DELEGATE WILLONER: If that is the meaning of
17 "required by law" on line 29, and it does not include the
18 rule making power of the court, then my amendment is not
19 necessary.

20 THE CHAIRMAN: The Chair could not conceive
21 that there could be any other meaning.
